

Travel info – Faculty of History UG

Gdańsk is a major tourist city offering hundreds of **accommodation** options, with up-to-date information available online. Please check the tourist information portal (available in English, German, and Polish): <https://visitgdansk.com>.

The **Faculty of History** is located 850 meters (11-minute walk) from the **Przymorze-Uniwersytet SKM station** (Fast Urban Railway), which provides frequent, fast, and reliable connections to the center of Gdańsk, as well as to Gdynia and Sopot (together they make up the **Tricity**). Thanks to the SKM, guests can choose accommodations farther from the venue while still enjoying short travel times. Additionally, multiple **tram and bus lines** stop right next to the venue (“[Uniwersytet Gdański 01](#)” and “02” for trams, “03” and “04” for buses).

The campus is situated just 9 km from **Gdańsk Airport** (about 20 minutes by car or less than an hour by public transport). The Przymorze-Uniwersytet SKM station is less than 2 km from the **Gdańsk-Oliwa** long-distance railway station (2 minutes by SKM or 5 minutes by car), which connects Gdańsk to other cities with airports. Traveling from airports in Warsaw or Poznań to Gdańsk takes approximately 4 hours.

Ferry lines also connect Gdańsk and Gdynia with Karlskrona and Nynäshamn in Sweden.
